

# Figaro

## Optiganally Yours

Every morning when sun is dawning  
You'll see him down on the beach  
Look out girl, beware  
Better take good care  
Keep yourself out of reach  
He's out to make a killing girl  
He's out to make a score  
And maybe if you're willing girl  
He's gonna ask for more  
Oh oh Figaro, He's got magic oh oh  
Oh oh Figaro, He's a Romeo oh  
See him down on the beach  
He'll be looking for someone new  
Searching down on the beach  
Figaro, Figaro  
When he plays guitar  
At the disco bar  
He's the star of the show  
As the girls go by  
He just winks an eye  
See those pretty girls glow  
He's out to make a killing girl  
When dancing on the floor  
And maybe if you're willing girl  
He's gonna ask for more  
Oh oh Figaro, He's got magic oh oh  
Oh oh Figaro, He's a Romeo oh  
See him down on the beach  
He'll be looking for someone new  
Searching down on the beach  
Figaro, Figaro  
Oh oh Figaro, He's got magic oh oh  
Oh oh Figaro, He's a Romeo oh  
Oh oh Figaro, He's got magic oh oh  
Oh oh Figaro, He's a Romeo oh
