

# Here to Stay

## Christina Aguilera

Well, everybody got an opinion now, don't they?  
But it ain't no thing to me  
It really don't make any difference now to me  
If you don't like what you see I pay no mind to the negative kind  
'Cause that's just no way to be  
I don't stop to please someone else's needs  
Gonna live my life for me I'm gonna keep on, I'm a do my own thing  
We all got a song that we're meant to sing  
And no matter what people say or might think  
I ain't going no place, no, I'm here to stay Gonna keep on doing my thing  
'Cause whether they love or they hating on me  
I'll still be the same girl I used to be  
'Cause I ain't going no place, no, I'm here to stay  
I'm here to stay, I'm here to stay I've never been the type to be shy  
I know that some would say I'm too headstrong  
But I'd rather be a woman who voices her mind  
Whether you think I'm right or wrong And I know some people wanna criticize  
Makes 'em feel better about themselves  
So say what you will, time will reveal  
In the end that I will be here still I'm gonna keep on, I'm a do my own thing  
We all got a song that we're meant to sing  
And no matter what people say or might think  
I ain't going no place, no, I'm here to stay Gonna keep on doing my thing  
'Cause whether they love or they hating on me  
I'll still be the same girl I used to be  
'Cause I ain't going no place, no, I'm here to stay Gotta get up, keep my head up  
Gonna keep on turning it up, never let up  
If I keep stepping it up, I'ma prove it  
I'm never gonna be stopped, like it or not Gotta get up, keep my head up  
Gonna keep on turning it up, never let up  
If I keep stepping it up, I'ma prove it  
I'm never gonna be stopped, like it or not No matter the pressures that face me  
I believe, I believe they will see  
I'll never let anyone break me  
All your doubt can do now is strengthen me And life, it ain't always that easy  
Gotta fight to see past the boundaries  
Crossing the lines I will define  
Every time that forever is mine I'm gonna keep on, I'm a do my own thing  
We all got a song that we're meant to sing

And no matter what people say or might think  
I ain't going no place, no, I'm here to stay Gonna keep on doing my thing  
'Cause whether they love or they hating on me  
I'll still be the same girl I used to be  
'Cause I ain't going no place, no, I'm here to stay I'm gonna keep on, I'm a do my own thing  
We all got a song that we're meant to sing  
And no matter what people say or might think  
I ain't going no place, no, I'm here to stay Gonna keep on doing my thing  
'Cause whether they love or they hating on me  
I'll still be the same girl I used to be  
'Cause I ain't going no place, no, I'm here to stay
