Fantastic (feat. Dave Glass Animals)

Flume

Life is wrapped up in plastics, classics
Fucking fantastic
Television show a sitcom classic
Fuzzy screen staticBad milk got my raisin bran tasting bad
Getting fiber-tastic
Say you'll go, say you're someone imagined
Life's looking tragicThink Finn is the raddest; Jake, his is passed it
Come get another boyfriend, number ten
What a romanticTake a bite, it's relaxing, hands crack
Heart is full on acid
Jenny bitching bout her ex again, making me
Melodramatics
Need a hit, need to sit, need to get away
Intergalactic
Warmth fast be escaping me
Left in the attic
