

Dhoom Dhoom (From "Dhoom")

Tata Young

Dhoom dhoom come light my fire
Dhoom dhoom let me take you higher
Dhoom dhoom I wanna feel that burninDhoom dhoom its a wild emotion
Dhoom dhoom passion and devotion
Dhoom dhoom now the wheels are turninMove your body close to mine now
Let me feel your love divine now
Together well explode and well go boom, boom, boom, boomDhoom machale Dhoom machale dhoom
Dhoom machale Dhoom machale dhoom
Dhoom machale Dhoom machale dhoom
Dhoom machale Dhoom machale dhoomDhoom dhoom Im gonna make you sweat now
Dhoom dhoom let's get all wet now
Dhoom dhoom gotta get down on itDhoom dhoom till the early morning
Dhoom dhoom until the dawning
Dhoom dhoom I know that you want itShake your body down to the ground
Once you go there's no turnin round
Tonight were gonna make the world go boomDhoom machale Dhoom machale dhoom
Dhoom machale Dhoom machale dhoom
Dhoom machale Dhoom machale dhoom
Dhoom machale Dhoom machale dhoomDance with me, dance with me
This is my philosophy (x2)This yearnin inside
You know you just cannot hide
So dont fight the feeling just let your body decide
When you get down on the road
Its a wild overload
Ridin higher than you ever did beforeDoom dhoom let your body do the talkin
Dhoom dhoom I wanna keep on rockin
Dhoom dhoom I want it twenty four seven
Dhoom dhoom get the rhythm of the beat nowDhoom dhoom feel the fire and the heat now
Dhoom dhoom take a trip to heaven
I wanna feel the wind in my hair now
Spread the power everywhere now
Feel the magic just go zip zap zoomDhoom machale Dhoom machale dhoom
Dhoom machale Dhoom machale dhoom
Dhoom machale Dhoom machale dhoom
Dhoom machale Dhoom machale dhoom
