

Spirit Burn

Audio Adrenaline

Bless Your church with tongues of fire
Holy Spirit move
Leave no trace of man's desire
Spirit burn right through
Spirit burn, spirit burn
[x2]Glorify Your name
Let Your kingdom rule over our hearts
Father show Your face
Let the light of Heaven shine from us
Rushing wind blow through this place
Pierce this worldly veil
Fill our streets with Your sweet salvation
Love that never fails
Spirit burn, spirit burn
Glorify Your name
Let Your kingdom rule over our hearts
Father show Your face
Let the light of Heaven shine from us
[x2]Holy fire
Fall like rain
Mark Your church
To bear Your name
Come in power
Come and reign
Sanctify
And stir Your saints
Glorify Your name
Let Your kingdom rule over our hearts
Father show Your face
Let the light of Heaven shine from us
[x2]Let the light of Heaven shine from us
Let the light of Heaven shine from us
