

Live to Win (BBC Radio 1 David Jensen Session)

Motörhead

You know you can't be hurt
You gotta believe in your star
They'll always treat you like dirt
They can only push you so far They can't take it away
If they've got something to say
They might try and fence you in
But you've only gotta live to win Know it's hard, a natural drag
It's a hassle to fight
If you don't want to be a slag
If you believe you're right They've got the power, now
But soon it's our hour, now
We all know where we been
We only live to win You mustn't shout it out loud
Don't create a scene
Nobody told you being proud
It only feeds the scheme And break down the wall
Live it up, it's their time to fall
Anarchy is coming in
If you know we live to win
