

Lonely Days (feat. J Boogs)

Fiji

I know that we mutually agree, for better, for worse, unconditionally.
Time and space did not allow us to succeed the way
That we thought that our love life would be. Every time I see that smile on your face
It brings me so much joy in my heart.
Takes me back to the very first time when you said you wanted us to stop. Lady I apologize, for all those lonely
days and
Those restless nights without me by your side.
And when you cry, cause my insensitivity
Didn't see the signs, when all I wanted was to make you smile. She was the bestest, top of me checklist,
Love, time, dedication well invested.
So this for mommy loves so dear, and you can't get no satisfaction,
No longer here with me. But it was only meant to set your heart free,
Cause what me offered you would not let us be.
Can't believe that our reality is just a memory. Every time I see that smile on your face it brings me so much joy
in my heart.
Takes me back to the very first time when you said you wanted us to stop. Lady I apologize, for all those lonely
days
And those restless nights without me by your side.
And when you cry, cause my insensitivity didn't see the signs,
When all I wanted was to make you smile. All I wanted, all I wanted. Lady I apologize,
For all those lonely days and those restless nights without me by your side.
And when you cry, cause my insensitivity didn't see the signs,
When all I wanted was to make you smile.
