

# My Little Secret

## Caliban

I wake up in flames,  
like everyday with my heart in my hands,  
I wake up in flames,  
say my name and I will rise again,I will rise again, I will kill again, I will  
say my name and I will kill againI wake up in flames,  
like everyday with my heart in my hands,  
I wake up in flames,  
say my name and I will rise again,Here is my little secret,  
stay back or I will kill kill killI promised you my blood,  
I gave you my life,  
but you threw it all awayGo, run flee  
Go, run, flee, fasterI wake up in flames  
like everyday with my heart in my hands  
I wake up in flames,  
Say my name againHere is my little secret,  
stay back or I will kill kill kill
