

This Is War

30 Seconds to Mars

A warning to the people, the good and the evil
This is war
To the soldier, the civilian, the martyr, the victim
This is war It's the moment of truth and the moment to lie
The moment to live and the moment to die
The moment to fight, the moment to fight
To fight, to fight, to fight To the right, to the left
We will fight to the death
To the edge of the earth
It's a brave new world from the last to the first To the right, to the left
We will fight to the death
To the edge of the earth
It's a brave new world, it's a brave new world A warning to the prophet, the liar, the honest
This is war
Oh, to the leader, the pariah, the victim, the messiah
This is war It's the moment of truth and the moment to lie
The moment to live and the moment to die
The moment to fight, the moment to fight
To fight, to fight, to fight To the right, to the left
We will fight to the death
To the edge of the earth
It's a brave new world from the last to the first To the right, to the left
We will fight to the death
To the edge of the earth
It's a brave new world, it's a brave new world
It's a brave new world I do believe in the light
Raise your hands up to the sky
The fight is done, the war is won
Lift your hands toward the sun Toward the sun
(It's the moment of truth and the moment to lie)
(The moment to live and the moment to die)
Toward the sun
(It's the moment of truth and the moment to lie)
(The moment to live and the moment to die)
Toward the sun
(The moment to fight, the moment to fight)
(To fight, to fight, to fight)
The war is won To the right, to the left
We will fight to the death

To the edge of the earth
It's a brave new world from the last to the first
To the right, to the left
We will fight to the death
To the edge of the earth
It's a brave new world, it's a brave new world
It's a brave new world
A brave new world
The war is won
The war is won
A brave new world
I believe in nothing,
Not the end, and not the start.
I believe in nothing,
Not the Earth, and not the stars.
I believe in nothing,
Not the day, and not the dark
I believe in nothing,
But the beating of our hearts
I believe in nothing,
100 suns until we part.
I believe in nothing,
Not in sin, and not in God.
I believe in nothing,
Not in peace, and not in war.
I believe in nothing,
but the truth in who we are...
