Invisible (Whiiite & Flinch Remix)

[Skylar Grey](#)

I take these pills to make me thin
I dye my hair, and cut my skin
I tried everything, to make them see me
But all they see, is someone that's not meEven when I'm walking on a wire
Even when I set myself on fire
Why do I always feel invisible, invisible
Everyday I try to look my best
Even though inside I'm such a mess
Why do I always feel invisible, invisibleHere inside, my quiet heart
You cannot hear, my cries for help
I tried everything, to make them see me
But every one, see's what I can't beEven when I'm walking on a wire
Even when I set myself on fire
Why do I always feel invisible, invisible
Everyday I try to look my best
Even though inside I'm such a mess
Why do I always feel invisible, invisibleSometimes when I'm alone
I pretend that I'm a queen
It's almost believableEven when I'm walking on a wire
Even when I set myself on fire
Why do I always feel invisible, invisible
Everyday I try to look my best
Even though inside I'm such a mess
Why do I always feel invisible, invisible
