The Beloved And The Hatred

Caliban

Where is your
Where is your
Where is your loveThe Smaller the keys, bigger the locks
closure of dorms, for the hatred
pick a key and watch!
sesame open, just meaningless wordsTell me, where's your love
Tell me, where your heart
don't look back to that start
where's your love.A daring mixture of shelter and temptation
the one who dares will gain the blame
lines web into my heat
to tear it slightly apartWhere is your love
Where is your heartTell me, where's your love
Tell me, where your heart
don't look back to that start
where's your loveWhere is your love?
