

The Home Fire

Louis Armstrong & His All Stars

Pardon the smile on my face my friend
Dreamin' of reachin' my journeys end
I'm headin' straight for my hearts desire
Gee, it's good to know I'm near the home fire All of the folks that I love are there
I got a date with my favourite chair
With every step every hope grows higher
Didn't know how much I missed the home fire The noises, the TV, the rusty old pipes
The cat always teasin' my dog
The neighbours, the quarrels, the screaming of kids
For the first time in years I'll sleep like a log
Heaven is waiting for me, my friend
Seven or eight dreams around the bend
And if you're ever in town inquire
We'll be glad to have you share the home fire Yes, the noises, the TV, the rusty old pipes
The cat always teasin' my dog
The neighbours, the quarrels, the scream of the kids
For the first time in years I'll sleep like a log
Heaven is waiting for me, my friend
Seven or eight dreams around the bend
And if you're ever in town inquire
We'll be glad to have you share the home fire We'll be glad to have you share the home fire
