Yes, I Will

Backstreet Boys

Yeah, yeah
I open my eyes, I see your face
I cannot hide, I can't erase
The way you make me feel inside
You complete me girl that's why
Somethin' about you makes me feel
Baby my heart wants to reveal
I'm down on my knees, I'm asking you
Say these three words I wanna hear from you
Yes I will, take your hand and walk with you
Yes I will, it's these three words that promise to
Yes I will, give you everything you need
And someday start a family with you
Yes I will, take your hand and walk with you
Yes I will, baby I promise you
Yes I will, give you everything you need
And someday start a family with you
(A family)
Oh yes I will
(Oh baby)
This is no ordinary love and I can never have enough
(I can't get enough of)
Of all the things you've given to me
You're my heart, my soul, my everything
Every night I thank you Lord
(I thank you Lord)
For giving me the strength to love her more and more
Each day I promise her as long as I hear those three words
Yes I will, take your hand and walk with you
Yes I will, it's these three words that promise to

Yes I will, give you everything you need
And someday start a family with you
Yes I will, take your hand and walk with you
Yes I will, baby I promise you
Yes I will, give you everything you need
And someday start a family with you
(A family)
I stand beside you in everything you do

(Yes I baby)
Wherever you go, whatever you do
Baby I'll be there, oh baby I'll be there
(I'll be there for you)
As God as my witness
(God as my witness)
I will carry this through
(I will carry this through)
To kept to what's [Incomprehensible], promised to you
(I promised you)
Yes I will, take your hand and walk with you
Yes I will, baby, baby, baby I promise you
Yes I will, give you everything you need
And start a family with you
(Oh I will)
Yes I will
(Oh yeah)
Yes I will
(Ooh yeah)
Yes I will
I promise you that everything's gonna be alright
It's gonna be alright, I will
