

# I'm Always In Love

**Jeff Tweedy**

Why, I wonder, is my heart full of holes  
And the feeling goes but my hair keeps growing  
    Will I set the sun  
    On a big-wheeled wagon  
    I'm bragging  
I'm always in loveWhen I let go of your throat-sweet throttle  
    When I clean the lash of your black-belt model  
    Will I catch the moon  
    Like a bird in a cage  
    It's for you I swoon  
    I'm always in love  
    I don't get the connection  
    If this is only a test  
    I hope I do my best  
You know I won't forgetWhen I fold the cold in my jet-lag palm  
    When I soak so long I forget my mother  
    Will I set the sun  
    On a big-wheeled wagon  
    I'm bragging  
I'm always in loveIt's a drag I sang  
    I'm always in love  
    I'm worried  
    I'm always in love  
    I'm worried  
    I'm worried  
    I'm worried  
    I'm worried  
    I'm always in love
