Holy Vine

Doug & Deb

You are the Vine, we are Your branches
Give us new life to shine for You.
You are the Vine, we are Your branches
Trusting, we find, itâ€™s all from You.

Lord, I see that You provide
Iâ€™m alive in You, my Holy Vine.
I bear Your fruit by Your design.
I worship You, my Holy Vine.

You are the Vine, we are Your branches
Help us to grow, we thrive in You.
You are the Vine, we are Your branches
Sharing Your love, we glorify You.

Lord, we see that You provide
Weâ€™re alive in You, our Holy Vine.
We bear Your fruit by Your design.
We worship You, our Holy Vine.
We worship You, our Holy Vine!

Apart from You, there is no fruit.
Apart from You, there is no truth.
Apart from You, we canâ€™t produce.

Lord, we see that You provide
Weâ€™re alive in You, our Holy Vine.
We bear Your fruit by Your design.
We worship You, our Holy Vine.

Lord, we see that You provide
Weâ€™re alive in You, our Holy Vine.
We bear Your fruit by Your design.
We worship You, our Holy Vine.
