Anything

O'ryan

Yeah, alright
Anything you want
Oh! no baby
I wanna talk to you
Girl, I wanna talk to you
Ohh, I know ya
If you want it and I got it
I'll give it to you
And if you need it, just call me
I'll be there for you
Maybe all of my secrets
I'll share them with you
It ain't nothing babe
Put that on everything
I'll be the water in your shower
To wash away the day
I'll be the answer to your problem
When you can't find a way
Never hurt you or leave you
'Cuz it ain't like that
Wanna be your man
That's where my head is at
I'd give anything and everyting
Just to be with you, in every way
Make some changes I'll be a better man
Give up the girls and be dedicated to you, baby
'Cuz I want you more than anything
More than all the money
In this world could bring to me
I'd give you anything and everything
Just to be with you, in everyway
When you're out late with your girlfriends
I'm waiting for you
Ain't no beefin' about nothing
'Cuz girl I trust you
And I know that you'll hold me down
Whatever you do
I just can't explain
How you make me feel this way

Oh I, wanna be the pillow
Where you rest you head
Anyplace you wanna go
I'll take you there
Don't matter what they say
Don't really care
I want you so bad
That's where my head is at
I'd give anything and everyting
Just to be with you, in every way
Make some changes, I'll be a better man
Give up the girls and be dedicated to you, baby
'Cuz I want you more than anything
More than all the money
In this world could bring to me
I'd give you anything and everything
Just to be with you, in everyway
Oh yes, baby I'm not running games
Girl, I need you this way
I'm so incomplete
No one to call my own
Don't wanna be alone
Darling, can't you see?
Can't you see that I'd give?
I'd give anything and everyting
Just to be with you, in every way
Make some changes, I'll be a better man
Give up the girls and be dedicated to you, baby
'Cuz I want you more than anything
More than all the money
In this world could bring to me
I'd give anything and everything
Just to be with you, in everyway
I'd give anything
Make some changes
'Cuz I want you more
