

Mittens (Robert Orton Mix)

Carly Rae Jepsen

Home tonight
Rest my head
In my single childhood bed
Close my eyes
Count to three
Wish that you were here with me
Last year when my hands were cold
You were always there to hold
So give me your warmest pair
Your strongest pair of mittens
Please
Something to get me through
The loneliness of Christmas eve
I fell for you, like crazy
And I can't get thoughts of you, from me
So give me your warmest pair
Your strongest pair of mittens
Please
By my table I survive
Fix the makeup from my eyes
Fake a smile so they will see
Wish that you were here with me
Last year when my hands were cold
You were always there to hold
So give me your warmest pair
Your strongest pair of mittens
Please
Something to get me through
The loneliness of Winter
See, I fell for you, like crazy
And I can't get thoughts of you, from me
So give me your warmest pair
Your strongest pair of mittens
Please
Shine your name
Through the snow storm, baby
You can break me
To the bone, oh
I was wrong
You were wrong to make me
Feel like I was all alone,
Walking through my old home town
No one else but me around
Make an angel in the snow
Pray that I can let you go
I fell for you, like crazy
And I can't get thoughts of you, from me
So give me your warmest pair
Your strongest pair
Your warmest pair
See, I fell for you like crazy
And and I can't get thoughts of you, from me
So give me your warmest pair
Your strongest pair of mittens
Please
