Teenage Fanclub

Saw you there with long blonde hair
Eyes of blue, oh baby, I love you.
When you're talking (I love your talk)
Look so cute behind your kick
I've heard some songs but baby you're a hit.
When you're walking (I love your walk)
When you're rocking (I love your rock)
When you're ticking (I'm your tock)
But then again you're a just a thought (flop?)
I love your touch, I love your smell (spell/style?)
When you're walking (I love your walk)
You think I'm lying but I'm not.
When you're rocking (I love your rock)
Hit the snag you know it makes me smile.
When you're talking (I love your talk)
I love you but you can't see;
I love you but baby do the gree (???)
When you're ticking (I'm your tock)
Then again you're a just a thought
(Instrumental)
You think I'm lying but I'm not.
(I love your walk)
(I love your walk)
(I love your talk)
(I love your talk)
(InstrumentalThen again you're a just a thought
You think I'm lying but I'm not.
