

Crush

Gavin DeGraw

When my pass came in,
You dropped the ball
It didn't change the way I feel
And I was wishing
I'd break down your walls
The kiss will know if lips stay still
There is a line I crossed
And when you missed
I lost
I'm not a loser
Girl, you know that
I'll be back again
My dear, I went for the steal
Maybe it was rushed
Oh my crush,
I've gotta crush
I suppose that I could hold it in
But you excite my every cell
Sources say that senses
Are your friends
My senses say that I
Should tell
you that I'm not
ashamed, You might just feel
the same,
But you have to try it
If you're ever really gonna know
My dear, I went for the steal
Maybe it was rushed
Oh my crush, I've gotta crush
I want to
I need to
I have to have you
You're so much to touch
Girl, you're too much
And I can't control it
You've got me all over the road
My dear, I went for the steal
Maybe it was rushed
Oh my crush
Damaging my soul
You blew me off,
But I don't mind
I just get better with time

And so do you
So do you
So do you
My crush
