Golden Gate

We Are the Ocean

I've got a smile on my face for the first time in days, should this feel strange to me?
I'm searching for grace in every face that I see, should this feel strange to me?It's a beautiful day, it's a beautiful way for me.Waking up with my head in the clouds, there's no way that I'm coming down. I finally got my feet off the ground, I'm flying!
The feeling comes and then it goes, every high has its low, I'm flying, just flying!It's just a game that I lose everytime that I play, so you're throwing it all away.
It's getting closer to the day and I'm making my way to golden gate.It's a beautiful day, it's a beautiful way for me.Waking up with my head in the clouds, there's no way that I'm coming down. I finally got my feet off the ground, I'm flying!
The feeling comes and then it goes, every high has its low, I'm flying, just flying!I've got a smile on my face for the first time in days, should this feel strange?
Waking up with my head in the clouds, there's no way that I'm coming down. I finally got my feet off the ground, I'm flying!
The feeling comes and then it goes, every high has its low, I'm flying, just flying!
