Bring The Fire

Mano Negra

You got no brains
You got no soul
Behind your eyes
There's a big wall

Your mind is cold
Your heart is bold
Behind your eyes
There's a big wall

Now what am I gonna do ?
Bring the fire

And I'm climbing on the wall
Just to get in touch with you

Bring the fire

'Cause there's nothin'
That I wouldn't do
To get in touch with you

It's been a long long night
Till the stole the light
I got a big desire
I want the world set on fire

Last time I saw the light
Was just a little lovelight shine
And it was burnin' down in your eyes
So unsteady it drive me blind
