

# City of Dreams

## Talking Heads

Here where you are standing  
Dinosaurs did a dance  
The Indians told a story  
Now it has come to passThe Indians had a legend  
The Spaniards lived for gold  
The white man came and killed them  
But they haven't really goneWe live in the city of dreams  
We drive on this highway of fire  
Should we awake and find it gone?  
Remember this our favorite townFrom Germany and Europe  
And Southern U.S.A.  
They made this little town here  
That we live in to this dayThe children of the white man  
Saw Indians on TV  
And heard about the legend  
How their city was a dreamWe live in the city of dreams  
We drive on this highway of fire  
Should we awake and find it gone?  
Remember this our favorite townThe civil war is over  
And World War I and II  
If we can live together  
The dream it might come trueUnderneath the concrete  
The dream is still alive  
A hundred million lifetimes  
A world that never diesWe live in the city of dreams  
We drive on this highway of fire  
Should we awake and find it gone?  
Remember this our favorite townWe live in the city of dreams  
We drive on this highway of fire  
Should we awake and find it gone?  
Remember this our favorite town
