

SHE GOT A GWAN

Ngwair

Tukianzia uzuri tu she got a gwan
Tabia, heshima ndio duu, she got a gwan
Mpaka kwa masista duu yeah
Nabaki tu kusema uh she got a gwan

Mara ya kwanza mi namuona East Zoo, Dodoma
Ghafla nakajihisi kama mtu mwenye homa
Kutoa salamu tu jibu lake ni noma
Sauti yake tu nkajihisi nimepona
Ndefu yake shingo, mwendo wa maringo
Nilifurahi aliponiambia yuko single
Sio siri mtoto huyu ameumbika
Na kama akipita mbele ya watu kumi basi
Nane kati yao lazima watababaika
Hata hao wawili wivu tu umewashika
Kila saa kwa Ngwair ndo amefika
Nami naapa kamwe sintomuacha
Mi naimani atanizalia mapacha
Na hata kama bahati mbaya akiwa tasa
Mnajua sitoweza kumuacha
Na yote ni sababu tu she got a gwan

Tukianzia uzuri tu she got a gwan
Tabia, heshima ndio duu, she got a gwan
Mpaka kwa masista duu yeah
Nabaki tu kusema uh she got a gwan

Sitosahau mara ya kwanza ameniruhusu
Nimbusu, nitomase zake chuchu
Naona fahari leo mpenzi uko na mimi
Na ninaahidi milele ntakuthamini
Sitojali ashatembea na wangapi
Kuwa nawe maishani naona bahati
Kila unapopita masela unawadatisha
Babaisha, wanabaki macho juu juu
Wakuonapo maduu wanakasirika
Kunja ndita, wanabenua midomo juu
Najua yote hiyo ni wivu tu
Washakuzushia mambo mengi tu

Ila wewe ndio my baby girl, mmoja wa pekee
Siwezi kuwa na raha bila kuwa na wee
Na kosa naomba unisamehe
Nataka kuwa na wewe milele, okay, you got a gwan

Tukianzia uzuri tu she got a gwan
Tabia, heshima ndio duu, she got a gwan
Mpaka kwa masista duu yeah
Nabaki tu kusema uh she got a gwan

Nionyeshe ulichonacho maa
Nionyeshe zaidi ya nguo zako ulizovaa
Nionyeshe zaidi ya ngozi yako ya kung'aa
Nionyeshe kile ambacho kitanipa raha (hey hey hey)

Girl, you got a gwan
You're my number one
And nia yangu mi ni kuwa nawe maishani
Chochote unachotaka mi ntakupa weka imani
Na mi naahidi kamwe wala sitokuacha njiani
She got a gwan!

Yes, I know
Mama get busy, twende kwenye dance floor
Unapokata kiuno matozi wanapagawa
Utasikia sauti zao wakisema "yeah, yeah, yeah"
Na atakae shobokea mi ntamtoa dunia
Na kuanzia leo ntakuwa natembea mi na gun (ooh)
Naona milupo imeanza kuntamani
Basi malizia kinywaji twende zetu nyumbani
Girl!

Tukianzia uzuri tu she got a gwan
Tabia, heshima ndio duu, she got a gwan
Mpaka kwa masista duu yeah
Nabaki tu kusema uh she got a gwan

She got a gwan
Girl, you got a gwan
Uzuri kuwa na wewe sio siri naona furaha
You got a gwan
Girl, you got a gwan
Oh baby wewe ndo my number one
Number one, number one
You're the one
