

# Beautyproof

## Madrugada

Ain't got no destination.  
Bit short on apprehension.  
Real hot, and coming up soon.  
New better news presentation.Face down in raw, red meat.  
Skinny girl watching the ugly.  
Thank God for the little girls.  
Give us the blond with the curls - yeah.What you've got is what gets me every time.  
The way you piss on everything real.  
Show me one that you think is so virtuous and clean.  
And I'll show you what I mean.  
No boots, and no direction. (Horse.)  
No horse, and no depression. (If you're feeling bored, turn it off.)  
No boring conversation. (Kiss.)  
No need for no consolation, no need to be aroused.Yeah, lipstick, leather, and chrome.  
Press button, and insert coin.  
Quick Elvis imitation.  
Yeah, slick boyband constellation, constellation.  
What you've got is what gets me every time.  
The way you piss on everything real.  
Oh, show me one that you think is so virtuous and clean.  
And I'll show you, show you what I mean.
