# We

## Joy Williams

Shes independent and beautiful
Wish I could be like her
Shes got the girls and the boys
So wrapped around her fingerRumor is shes some kind of dream
Nobody knows she cries herself to sleep
We are not that different from each other
We just want somebody to discoverWho we really are when we drop our guard
That love has gotta start with you and me
WeHes on the top of the social scene
Hes stylish, cool and clever
Hes gotta cool attitude that screams
Hes got it all togetherYoud think hes addicted to himself
But he wishes he could be someone else
Gotta come together
You know you never ever have to be alone
You gotta hand to hold
