

# We

## Joy Williams

Shes independent and beautiful  
Wish I could be like her  
Shes got the girls and the boys  
So wrapped around her finger Rumor is shes some kind of dream  
Nobody knows she cries herself to sleep  
We are not that different from each other  
We just want somebody to discover Who we really are when we drop our guard  
That love has gotta start with you and me  
WeHes on the top of the social scene  
Hes stylish, cool and clever  
Hes gotta cool attitude that screams  
Hes got it all together Youd think hes addicted to himself  
But he wishes he could be someone else  
Gotta come together  
You know you never ever have to be alone  
You gotta hand to hold
