

# Holy Man(Reprise)

Paul Weller

Crystal words that hang so fine but none will stop us falling  
Pulling faster all the time powerless to warnings  
If you feel the hand of God, can you guide it holy man?  
But you are only flesh and blood, waiting too for judgment  
Still saying, daddy don't weep momma don't cry  
Everybody gets their time  
Don't be sad don't be blue, pray for me  
I'll do the same for you  
Split the father and the son, hand words to ease them  
If you have the hand of God, can you heal us holy man?  
But you are only flesh and blood, waiting too for judgment  
Still saying, hang on tight hang on strong  
How much longer can this go on  
But don't be sad don't be blue  
It's one more thing set to confuse  
Daddy don't weep momma don't cry  
Every fear must have its time  
Don't be sad don't be blue, pray for me  
I'll do the same for you  
Can you bring the hand of God?  
Can you stop the killing?  
Get us back to hope and love  
Never more be needed  
Still saying, bloods gone bad bad to worse  
Worse to bad and back again  
Don't be sad don't be blue  
It's one more thing sent to confuse  
Momma don't weep daddy don't cry  
Every fear must have its time  
Don't be sad don't be blue, pray for me  
I'll do the same for you
