

# Boominâ€™™

## Stalley

All the way from the South East Side  
To the North West Side  
You already know. (Haha!)  
Here I am  
We all love 77'  
[?Milk?] City!  
O.H.I.O!

The whole Midwest(Boomin)  
Mutherfuck the police  
I'm steady boomin' in the projects  
(Boomin)

Mutherfuck the police

I'm steady boomin' in the projects Them junkies keep on coming back & forth, cause they getting sprung

Taste of my dope, yeah it's real, got they tounge numb

When I was 15, going on 16, I was broke as hell

Hanging in the view, you know I had to find some work to sell

Call my brother Yella, he was deep up in the dope game

Asked him for a sack and he was acting real lame

Started with a 16, turn that to a mixtape

Boomin' in these cars, (ha-ha) I got my own bass

So, boom! I'm bunkin. Been getting it since the 90's

Pull up in the hood, hopping out, kissing babies

Now I got the Monte, I'mma get me a Mercedes

And I put that on the Milk, kinda like a missing baby

I'm shining. I'm Gliding. I'm pushing off through Massillon

Getting to this money so its calculated trafficking

Feds steady trying to build a case, but they can't solve it

So fuck the police, I'm steady boomin' in them projects(Boomin)

Mutherfuck the police

I'm steady boomin' in the projects

(Boomin)

Mutherfuck the police

I'm steady boomin' in the projects I finally got my 'Cedes gold Rollie, and my grill up

Watch me hit the block, you can see the money build up

From the PJ's, on the PJ's with the wheels up

You ain't gotta feel us, we get it how we live, bruh

Started me a label, BCG, blue collar gang

Midwest hustler, do my thing, let my nuts hang

24 hour pharmacy, like a Walgreens

Hustle like a ball team, yeah til' we all clean  
Hip-Hop police are on me, they think its more than rap  
Used to run the trap, slinging packs, now we running rap  
D-Boy selling D, DJ run it back, this the anthem  
Marching on the block, till' the bands come  
Task Force tried to sweep us out like a sandstorm  
Still found a bed full of money I can land on  
Didn't do the crack, but this rap got me living large  
So, fuck the police, I'm steady boomin' in them projects(Boomin)  
Mutherfuck the police  
I'm steady boomin' in the projects  
(Boomin)  
Mutherfuck the police  
I'm steady boomin' in the projects
