

New Joc City (Intro)

Yung Joc

Now showing, New Joc City
Starring Yung Joc, A T L's most wanted
In an action packed movie about gunfightsGrinding the ol' trap and most of all, getting money
Oh, you already know what it is folk
Hey folk, y'all niggaz watch out
Dope boy's comin'Let me paint a picture, here's the backdrop
Niggaz on the block with a sock full of rocks
My intuition tells me, here come the cops
First nigga run, last nigga get knockedA couple hours later when it's time to get funded
Ten percent of food stamps cost you fo' hundred
I had to use a alias 'cause I'm a most wanted
Now I'm back in the Chevy on the pedal and I'm runnin'New Joc City
210, we have a visual on the subject
Roger that
Five, oh niggaNigga I see 'em that's five-oh nigga
Oh shit
Nigga that's five-oh
Run niggaNow I gotta switch up 'cause my trap on fire
It's hot like the thermostat was set on high
I need another spot just to stash those pies
I'ma juice the first down hoe that rode byI'ma tell ya like this, watch yourself bruh
The first time she get wrong it time to check her
Even though she lick me from my balls to my neck up
I gotta watch myself cause this could be a set upThe saga continues
Baby, see who the fuck who it is?
I don't know
You got, you got somebody comin' over here?Nah, I mean, you know nobody comin' this late
Man, who the fuck is that man?
Them motherfuckers actin'
Llike they tryin' to get in though man, oh shitWhen the do' swang open like wham
Niggaz pointin' choppers at me like Uncle Sam
Thankin' to myself, "What the fuck? Goddamn"
I sho' hop to God that this nigga chopper jamI'm lookin' at him crazy, I don't know what to tell him
He put the chopper to the back of my cerebellum
I tell him, the block's in that box on the flo'
But if you touch that bitch the whole house gon' explodeNew Joc City
10 seconds 'til detonation
Ten, nine, eight, seven, six
Five, four, three, two, goodbyeThis has been another Bad Boy South

Block Entertainment production
Now showing in your local fucking hood
