

I Am Heathen

Acheron

I reject the gods you adore
Freedom from religious lore
At ease with my sins

Anti-god, my life beginsI am heathenWhy must you all look to the sky for all your answers?
Find out what you are all looking for within thy selfA life rejoicing in pleasure and sin, can be obtained
Apostasy of religions and faith, art of the heathen
Heretic, not a neophyte
Blaspheming all holy rites
A wolf among the sheep
My pride, I shall keepI am heathen
Why must you all look to the sky for all your answers?
Find out what you are all looking for within thy selfA life rejoicing in pleasure and sin, can be obtained
Apostasy of religions and faith, art of the heathenFuck their lies!
