

Red and Dying Evening

[Alesana](#)

You've taken the last of me
The gods of your innocence
Shall not protect you from the hate of my wrath
You've taken the last of me
Blame the end on yourself
You deserve each tear that falls
Scratch out your eyes
The blood will drown you in red and I will leave you for dead
A lovely evening draped in regret
The shadow of justice now engulfs you
As cold hands reap the pain they've sewn
You've taken the last of me
Blame the end on yourself
You deserve each tear that falls
Scratch out your eyes
The blood will drown you in red and I will leave you for dead
A lovely evening draped in regret forever gone
The taste of your death replaced the smell of your breath
A lovely evening draped in regret
Suffocate your will to live with my pain
You were so easily seduced by greed
You could never feel my calloused hands
Closing around your throat
Wake into the nightmare
That has become our love
May your screams never cease
You've taken the last of me
Knight, oh knight in shining armor
Can make your dreams come true
