

Feel the Steam (feat. Chris Brown)

Elephant Man

 Hmm, Elephant Man, C. Breeze
 Chris Brown for the ladies
 (Give it to her)
 Baby look at it startin' to sweat
Grind it on me I told her, I told her, I told her
 I told her bun it up
 I told her, I told her, I told her
 I told her bun it up
 So all the club is on fire
 No top wine up wine up
Wine up perspire All di way a hotta make mi temperature rise
 An I go to beach she cyan fit inna yuha size
 A tour man a look yuh make she come a criticize
She no deh pon yuha leva so tell a must to decide Champaign poppin anytime yuh see me roll
 Call me in the Benz anytime at wedding toll
 No badda a this way yuh come to dis so
When yuha done wid Ely den yuh come run to Chris Brown Can you feel the steam?
 Hot make you wanna scream
 Shawty wanna leave with me
I know just what you need Girl, let me make you body sweat
 Come on come on make your body wet
 I'ma make your body drift sweat
Girl, I wanna see your chest wet An yuh know when a mean a dun know foolishness
 She want it so my woody all she cool with this
 Go head a lickle wave yuha hand and jump and twist
Come yet a mi no wan fi hear yuh drunk and sleep Fling it up and gimme cah mi na go back door
 Jammin up forever Ely na go pop dung
 Ain't no tigger bone di way mi buff it pon dung
So ladies when your ready, unno ready unno come Can you feel the steam?
 Hot make you wanna scream
 Shawty wanna leave with me
I know just what you need Girl, let me make you body sweat
 Come on come on make your body wet
 I'ma make your body drift sweat
Girl, I wanna see your chest wet We can get it on and
 Till the early mornin'
 Feel your body callin'
 We can get it on and
 Till the early mornin'

Hear your body callin'? Girl Can you feel the steam?
Hot make you wanna scream
Shawty wanna leave with me
I know just what you need Girl, let me make you body sweat
Come on come on make your body wet
I'ma make your body drift sweat
Girl, I wanna see your chest wet From inna di club outside to my cyar
Say she neva knew if could I reach so far
Fiah she bow near great pon mi cyar
Iz a one never knew woulda get so bizzaire Gyal di way yuha up yuha temperature
I would love to turn up it naw
Mamita buss when yuha chunk
Cah yuha una yuha liquor Put dem on di wood
And put it work it like a stripper
Body shaker
Wine up on it like a radiator Can you feel the steam?
Hot make you wanna scream
Shawty wanna leave with me
I know just what you need Girl, let me make you body sweat
Come on come on make your body wet
I'ma make your body drift sweat
Girl, I wanna see your chest wet Can you feel the steam?
(Ooh)
Hot make you wanna scream
(Ooh)
Shawty wanna leave with me I know just what you need
Girl, so let me make you body wet
C. Breezy Ele gonna make your body sweat
We gon' make your body drift sweat
Girl, I wanna see your chest sweat
