She's a Miracle (Re-Recorded Version)

Exile

I don't need a shooting star
To make my wish come true
I don't need a four leaf cover
Or a crystal ball to see throughI don't need a claim for fame
Like some folks always do
I got my very own big time star
And she shines the whole night throughShe's a miracle, a sight to see
Oh, the way she touches me
Way down deep in my soul
Somethings got a hold and it won't let goIf I stumble, if I fall
She's waiting right there to catch me
Oh, she's a miracle, a miracle to me
I don't need any good luck charms
Always hanging around
Don't need any wishing well
To throw my money downI don't need to make the front page news
Or be the talk of the town
I'm telling all the world I've got a heavenly girl
Right here on the groundShe's a miracle, a sight to see
Oh, the way she touches me
Way down deep in my soul
Somethings got a hold and it won't let goIf I stumble, if I fall
She's waiting right there to catch me
Oh, she's a miracle, a miracle to me
She's everything in the world to me
A beautiful dream come true
Everyday I count my blessings
'Cuz I'm the lucky one she gives her loving to, ohShe's a miracle, a sight to see
Oh, the way she touches me
Way down deep in my soul
Somethings got a hold and it won't let goIf I stumble, if I fall
She's waiting right there to catch me
Oh, she's a miracle, miracleShe's a miracle, a sight to see
Oh, the way she touches me
Way down deep in my soul
Somethings got a hold and it won't let goIf I stumble, if I fall
She's waiting right there to catch me
Oh, she's a miracle, a miracle to me
