Butterside Down

Consumed

Done it agin now.
Playing the same game.
Always the wrong way.
I just can't stop doing it.
I've got no reason to make her feel like this, I feel like dog piss.
I've got my head on back to front.
I want to tell you, my reason for living.
You are my sunshine.
I just can't get the words out.
chorus:
I feel I got to say, you save those rainy days.
I've got a real friend in you.
Stop doing it.
chorus (2x).
Stop doing it.
