Legend

Liege Lord

Take the road until it's end never crouching to the bend of life
Through a jungle lined with pain across a sea through dun and rain againMercury's runner through night turns to day
Forging a legend that holds up today
Breaker, a huntsman, the words mark the rest
Take to the legend a runner that's bestConducting speed of tranquil grace through his planet's deepest space againMercury's runner through space and through time
Forging a legend of speed and of rhyme
Runner, conductor, the streak of the night
Making his move then again out of sight
