Fame

Fame

Baby, look at me
And tell me what you see
You ain't seen the best of me yet
Give me time I'll make you forget the restI got more in me
And you can set it free
I can catch the moon in my hands
Don't you know who I amRemember my name, fameI'm gonna live forever
I'm gonna learn how to fly high
I feel it coming together
People will see me and cry, fameI'm gonna make it to heaven
Light up the sky like a flame, fame
I'm gonna live forever
Baby, remember my nameRemember, remember
Remember, remember
Remember, remember
Remember, rememberBaby, hold me tight
'Cause you can make it right
You can shoot me straight to the top
Give me love and take all I've got to giveBaby, I'll be tough
Too much is not enough
I can ride your heart till it breaks
Ooh, I got what it takesFame, I'm gonna live forever
I'm gonna learn how to fly high
I feel it coming together
People will see me and cry, fameI'm gonna make it to heaven
Light up the sky like a flame, fame
I'm gonna live forever
Baby, remember my name, fame
