

Days (Remastered)

Television

Up on the high, high hills
With my floating friend
Watching all the silver
No one can ever spend
I feel the touch of her hand
And all it will erase
These footprints I followed
Though they followed my every pace
Days (3x)
Be more than all we have
No matter how much I cross
I always see the same stream
I'm standing up on these bridges
That are standing in a dream
