

Secrets (Radio Edit) [feat. Vassy]

Tiësto & KSHMR

Oh wonâ€™t you stay for awhile
Iâ€™ll take you on a ride
If you can keep our secrets
Oh wonâ€™t you stay for awhile
Show me goggles baby
Show me deep inside

Oh wonâ€™t you stay for awhile
Iâ€™ll take you on a ride
If you can keep our secrets
Oh wonâ€™t you stay for awhile
Show me goggles baby
Show me deep inside

Oh wonâ€™t you stay for awhile
Iâ€™ll take you on a ride
If you can keep our secrets

Stay awhile
Stay awhile and Iâ€™ll make it worth your while
Worth your while
Stay awhile
Stay awhile and Iâ€™ll go the extra mile
Extra mile

But if you wait until the lights goes down
I got some drinks thatâ€™ll help scream right now
So stay awhile
Stay awhile and Iâ€™ll make it worth your while
Worth your while

Oh wonâ€™t you stay for awhile

Oh wonâ€™t you stay for awhile
Iâ€™ll take you on a ride
If you can keep our secrets

Oh wonâ€™t you
