Outlaw

Michael Wyckoff

Settle down
I got a story to tell
Stuck inside
this desert hell
Started from something,
turned into nothing
Hollowed out,
an empty shell
Yeah yeah!

Now heed these words I say, oh
You'll never leave here alive
Been floating here all alone
Fight if you wanna survive
Don't waste your time, the times come
You have time to spare
In this world, mellow will have no more

To the grave,
I aspire
See your face,
and it's set like a pyre
In the ash, you retire
But I look into the fire
We can't fall any higher to end this day

Now heed these words I say, oh
You'll never leave here alive
Been floating here all alone
Fight if you wanna survive
Don't waste your time, the times come
You have time to spare
In this world, mellow will have no more
