

# Turn Of The Century

## Bee Gees

Everything's happening  
At the turn of the century  
I'm gonna buy myself a time machine  
Go to the turn of the century  
And all those people passing by  
And the town crier makes his cry  
At the turn of the century  
Turn of the century  
Big wide hats and men in spats  
At the turn of the century  
With those horseless carriages  
At the turn of the century  
And there are lots of things to do  
On a bicycle built for two  
At the turn of the century  
Turn of the century  
Everything's happening  
At the turn of the century  
I'm gonna buy myself a time machine  
Go to the turn of the century  
And all those people passing by  
And the town crier makes his cry  
At the turn of the century  
Turn of the century, turn of the century
