My Superman

B-witched

Some people say to me
They say, I don't have a clue
I'm gonna make them see
There's somethin' special 'bout you
When you've got your arms around me, oh baby
(Oh, when you've got your arms around me)
In the air your love surrounds me
(Oh, now I know you're)
Now, I know you're my Superman
(You're amazing)
You're my wonder man
(Where you've been)
Wherever I am
(Come an' save me)
Oh, my Superman
(So amazing)
This ain't no make believe
This fantasy is for real
Ain't talkin' imagination, oh baby
He sweeps me off from my feet
When you've got your arms around me, oh baby
(Oh, when you've got your arms around me)
In the air your love surrounds me
(Oh, now I know you're)
Now I know you're my Superman
(You're amazing)
You're my wonder man
(Where you've been)
Wherever I am
(Come an' save me)
Oh, my Superman, yeah, yeah
(So amazing)
Everything you do to me is supernatural
(Supernatural)
I need to be beside you, need to be in your world
(Be in your world)
Everything you do to me is supernatural
(Come and save me boy)
I need to be beside you, need to be in your world

(Come and save me boy)
Now, I know you're my Superman
(You're amazing)
You're my wonder man
(Where you've been)
Wherever I am
(Come an' save me)
Oh, my Superman
(So amazing)
Now, I know you're my Superman
(You're amazing)
You're my wonder man
(Where you've been)
Wherever I am
(Come an' save me)
