

Nine Times out of Ten

[Teddy Pendergrass](#)

Nine times out of ten
I'm falling inlove with you
Starting to need you more
As time goes byNine times out of ten
I'm falling inlove with you
Starting want you more
As time goes BySince the day i met you
I feel so good inside
My world has come alive
Since i've known you, known youI can't forget you
Your always on my mind
I've got this strong desire
To be near youNine times out of ten
I'm falling inlove with you
Starting to need you more
As time goes byWanna get to know you
I call you on the phone
I feel so all alone
Me here and you thereYou gave my life reason
You make my puzzle fit
Oh i've got love to give
And i wanna give it to youNine times out of ten
I'm falling inlove with you
Starting to need you more
As time goes by{Solo Instrumental}I say nine times out of ten
I'm falling in love with you
Starting to need you more
As time goes byNine times out of ten
I'm falling inlove with you
Starting to need you more
as time goes, time go-oh-goes by-y-y-I say this time, this time
I'm falling inlove-love-love-love with you
I'm pretty sure i need you more
As time goes by
