

# The Rock

## Metatrone

Only in the Rock  
My soul is resting forever  
Forever Rock of Hope  
Only in the Rock  
My soul is resting forever  
Forever Rock of Hope You're watching me every day  
You give me quietness  
The safest shore in the seastorm  
In which I can rest Only in the Rock  
My soul is resting forever  
Forever Rock of Hope  
Only in the Rock  
My soul is resting forever  
Forever Rock of Hope  
You mean for me the salvation  
Forgive me again  
Keep me safe from the Evil  
Take care of my soul Mighty Lord of Mercy  
Creator of universe  
I hope one day I will meet You  
For the eternity  
You mean for me the salvation  
Forgive me one more time  
Keep me safe from the saddest days  
I have to face up Only in the Rock  
My soul is resting forever  
Forever Rock of Hope  
Only in the Rock  
My soul is resting forever  
Forever Rock of Hope  
Only in the Rock  
My soul is resting forever  
Forever Rock of Hope  
Only in the Rock  
My soul is resting forever  
Forever Rock of Hope Only in the Rock  
My soul is resting forever  
Forever Rock of Hope  
Only in the Rock

My soul is resting forever  
Forever Rock of Hope
