

# I've Got a Secret

[Kate Nash](#)

I've got a secret, I can't tell you  
I've got a secret, I can't tell you  
I've got a secret, I can't tell you  
I've got a secret, I can't tell you You would judge  
You would judge  
You would judge  
You would judge I've got a secret, I can't tell you  
I've got a secret, I can't tell you  
I've got a secret, I can't tell you  
I've got a secret, I can't tell you You would judge  
You would judge  
You would judge  
You would judge I've got a secret, I can't tell you  
I've got a secret, I can't tell you  
I've got a secret, I can't tell you  
I've got a secret, I can't tell you You would judge  
You would judge  
You would judge  
You would judge Why can't we be friends?  
We can't pretend you don't love me  
You don't love me Why can't I kiss her lips?  
Why can't I be with him?  
Homophobic pricks  
Homophobic
