Scooter

Ring me up!

What we say?
Jigga Jigga! Welcome to the main arena!
I've allways been a party pleaser!
There's not a doubt!
I've checked all the ladies out! I'm the lirycal teaser!
Addicted to the massive crowd!
Yeah!
If you love me or you hate me I don't give a damn!
If you're really think you're ready
So let me see your hands!
Everybody knows We've got a floorfiller!
I'm on the mic driller!
Here's the bass killer!
Yeah! Full of light
From distant flame
There's sunlight fading
Autumn leaves in the rain If you call I will be there
Close to the age!
Watch how we mix it up!
Jigga Jigga! Ain't never been a trouble maker
Just finish what you start
By ripping you apart!
I'm not a faker! I feel like a great white shark!
