Child, Child

The Kingsmen

Think back to the time when Jesus saved your soul
remember the joy when you gave Him full control
but if time has removed the peace you knew
then He's calling you back to the place you began

Child Child why do you wander out in the darkness
away from the fold
Child Child there's comfort in closeness
so walk just as close as you can.

I know I'm redeemed cause Ive been to Calvary
though sometimes I falter & fail
His will to see but forgiveness is all mine
in Him I'll rejoice because I'm one of His sheep
& His sheep know His voice

Child Child why do you wander out in the darkness
away from the fold
Child Child there's comfort in closeness
so walk just as close as you can.
