

# Like A Robot

## Aqua

Oh, I'm tired of your show  
I want a real man when I look into the mirror?  
I don't understand, can't see it clearer  
I'm sexy, I'm hot, I deserve more  
Look at these body curves, why you unsure?  
Oh, nothing's good enough for you  
Even after 1, 2, 3 tequila shots  
You still leave me high and dry  
Thanks a lot  
Everywhere I go guys say I'm so hot  
So why-y-y do you...  
Still fuck me like a robot-bot-bot-bot?  
Still fuck me like a robot-bot-bot-bot?  
So why do you, why do you, why do you  
Still fuck me like a robot-bot-bot-bot?  
Oh, I'm tired of your show  
It's time to wake up now, see what you're missing  
Open up your eyes and pretend that you'll listen  
I'm sexy, I'm hot, I deserve more  
I'm a single boy and I think I deserve more  
Oh, nothing's good enough for you  
Even after 1, 2, 3 tequila shots  
You still leave me high and dry  
Thanks a lot  
  
Everywhere I go guys say I'm so hot  
So why-y-y do you...  
Still fuck me like a robot-bot-bot-bot?  
Still fuck me like a robot-bot-bot-bot?  
So why do you, why do you, why do you  
Still fuck me like a robot-bot-bot-bot?  
Oh oh-oh-oh, oh oh-oh-oh  
Oh oh-oh-oh, oh oh-oh-oh  
Don't kiss me like a, hold me like a, please me like a, love me like a robot-bot-bot-bot  
Don't treat me like a, pat me like a, crush me like a, do me like a robot-bot-bot-bot  
I'm giving you 1, 2, 3 of my shots  
Swear you're still high  
And the rhythm is right  
Everywhere I go guys say I'm so hot

So why-y-y do you, you, you, you, you...  
Still fuck me like a robot-bot-bot-bot?  
Still fuck me like a robot-bot-bot-bot?  
So why do you, why do you, why do you  
Still fuck me like a robot-bot-bot-bot?  
Oh oh-oh-oh, oh oh-oh-oh  
Oh oh-oh-oh, oh oh-oh-oh  
Oh oh-oh-oh, oh oh-oh-oh  
Oh oh-oh-oh, oh oh-oh-oh  
Fuck me like a robot-bot-bot-bot
