

Jesus It's Me Again

Dick Damron

Words and Music by
Dick Damron

Lately, Lord, I almost feel like dyin'
I wake up like a child alone at night
And sometimes, Lord, I just can't keep from cryin'
And I can't find the strength to carry on.

(Chorus)

Jesus, it's me again
I'm on my knees again
Askin' you please, again
Reach out your hand
Jesus, it's me again
Down on my knees again
Beggin' you please, again
Reach out your hand.

Spoken:

Jesus, it's me
I'm on my knees
Askin' you please
Reach out your hand.

Sung:

From time to time I've tried to find a reason
And I've talked to you a time or two before
But this time Lord, it's more than I can handle
And I know I just can't take it any more.

(Chorus)

Jesus, it's me again
I'm on my knees again
Askin' you please, again
Reach out your hand
Jesus, it's me again

Down on my knees again
Beggin' you please, again
Reach out your hand.

Spoken: It's me.
