

# Martians Go Home

## The Monochrome Set

Sterile seraphs in green satin  
Swiss liqueurs and cherry brandy  
Misty mystics whisper Latin  
Mark, meet Jane, meet Sam, meet Sandy But your Gemini is weary  
Your Aquarius not cheery  
And my fascinating theory  
Is, well Before-picture girls in denim  
Advocaat and avocado  
Commie cupids quoting Lenin  
Sue, meet Jack, meet John, meet Rado But your Scorpio is waning  
Your Cancer not entertaining  
And although I'm not complaining  
But... Anonymous in anorak  
Cosi-cosa, Pepsi Cola  
Heironymous and Kerouac  
Alexander, met E Zola But your Virgo is inactive  
Your Capricorn not attractive  
And my impulses didactic  
Say: ho-hum
