Our Love

Stereo Palma

Lately we don't see eye to eye
All we seem to do is fight
Two many sleepless nights
But now I wanna put it right
I know things have been though
Friends telling you stuff, tryn to mess with our trust
All I care is about us
Know things have been though
Friends telling you stuff, stuff, stuff, stuff, stuff
But they won't break our love

Say you want my love
Don't think I'm holding back
Say I don't give enough
You know it ain't like that
Girl I'm ready to chase so girl don't walk away
Please don't go
I'm begging you to stay
[x2]

We got a crazy chemistry
Yeah
That's why is hard for me to see
How we ended up here
With tears rolling down your eyes
Girl I apologize
Two wrongs don't make a right
But I'm prepared to fight
Cause girl I need you in my life

I know things have been though
Friends telling you stuff
Tryin to mess with our trust
All I care is bout us
Know things have been though
Friends telling you stuff, stuff, stuff, stuff, stuff
But they won't break our love

Say you want my love
Don't think I'm holding back

Say I don't give enough
You know it ain't like that
Girl I'm ready to chase so girl don't walk away
Please don't go
I'm begging you to stay
[x3]
